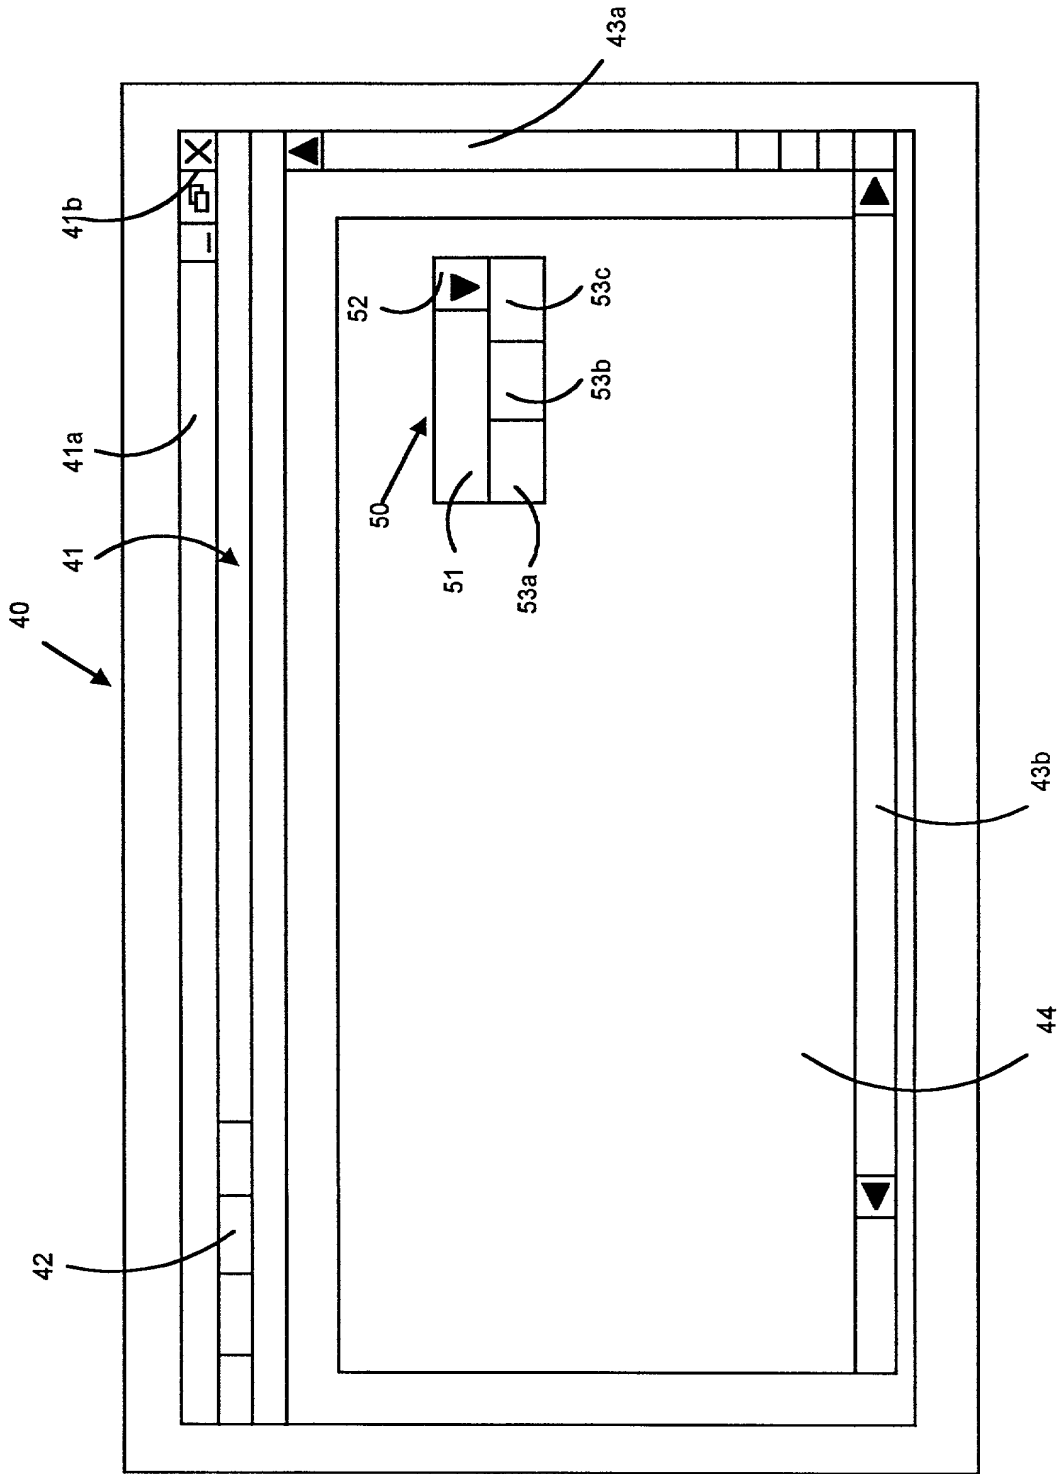

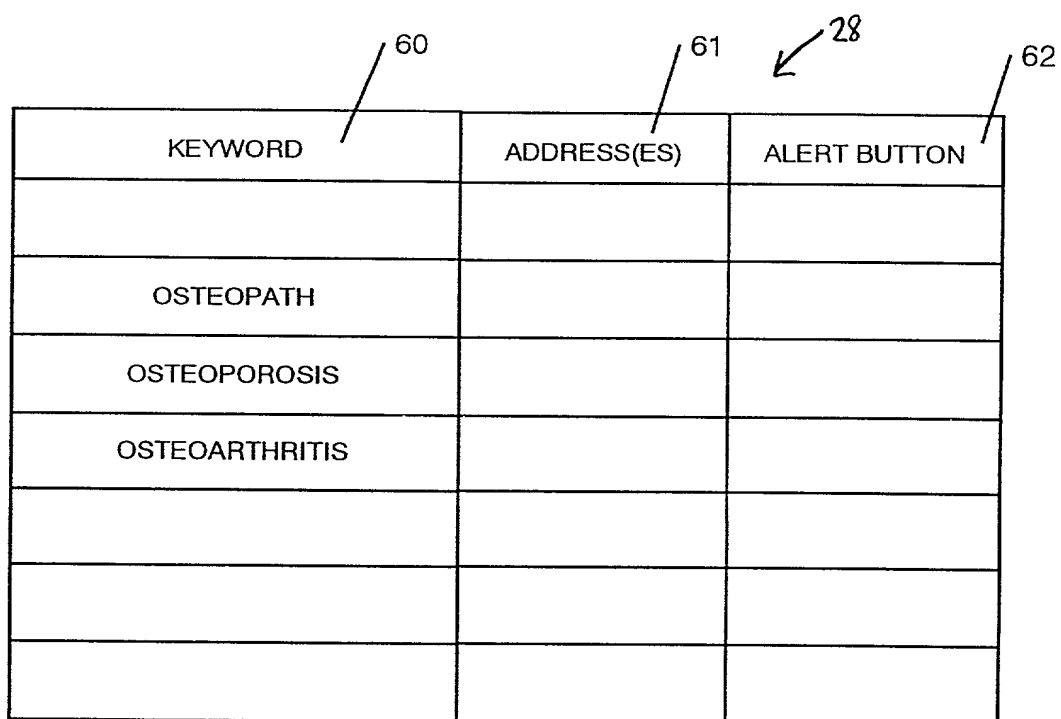

FIG. 5

The diagram shows a table with three columns. The first column is labeled 'KEYWORD' with a line pointing to it from the number 60. The second column is labeled 'ADDRESS(ES)' with a line pointing to it from the number 61. The third column is labeled 'ALERT BUTTON' with a line pointing to it from the number 62. An arrow labeled 28 points to the 'ALERT BUTTON' column. The table has eight rows. The first row is the header row. The second row is empty. The third row contains the text 'OSTEOPATH'. The fourth row contains the text 'OSTEOPOROSIS'. The fifth row contains the text 'OSTEOARTHRITIS'. The sixth, seventh, and eighth rows are empty.

KEYWORD	ADDRESS(ES)	ALERT BUTTON
OSTEOPATH		
OSTEOPOROSIS		
OSTEOARTHRITIS
